Stage Box Show is a **Macau** business company created in 2018. We are specialized in installations and maintenance of LED walls. **Stage Box Show** is also a LED certified repair center.

From our inception, we have been working with valuable clients from **Macau**, earning their trust and working on large scale projects.

This trust gave us the confidence to create our own brand, **StageBox LED Series**, made in **Macau-China**. By working together with well known factories in China we developed one of the best products that is in the market right now.

Our products have the **Macau-made warranty**, where the after sales service, maintenance and repair will be assured by our local certified technicians.

Contact us at sbs@stageboxshow.com if you want more information regarding our products.

Thank you and we hope to hear from you soon
